

Name: Allison
Ohara (40652)
Purpose:
Homework
Assignment 5

System Libraries:
csdtlib, iostream,
ctime, standard
namespace

User Libraries:
none

Global Constants:
none

**Function
Prototypes:**
void coinToss()

A

A

main

srand(static_cast<
unsigned int>
(time(0)));

Declare Variables
int tosses;

int i = 1;

i <= tosses

coinToss();

i++;

return 0

coinToss()

Declare Variables
int num = rand()%2 + 1

num == 1

True

cout << "heads"
<< endl;

False

cout << "tails" <<
endl;
